Drapes & Decor

Drapes can come in a variety of styles, fabrics and colours to suit your needs and budget.

Draping can add glamour and elegance to any venue, but that's not all. A good draping design will positively transform the atmosphere of your venue and enhance your theme. It can help mask unsightly elements like poorly maintained walls and unfortunate ceiling fixtures. In spaces that are naturally beautiful, we can use draping to enhance the strong features of the room.

Draping Styles:

- Cabaret Drapes
- Pleated
- Rippled
- Tack Off
- Pea Light Curtain
- Star cloth

Fabrics:

- Organza
- Voile
- Polyline
- Casement
- Velour
- Wool Serge

Prices of drapes can vary from the style and fabric you chose and also the size of the space being draped; all drapes are bespoke designed to meet your needs.

Some cost examples for a 10 x 20 meter room with a 3 meter ceiling height :

- Cabaret drapes with frame though out - £995
- White ployline rippled drape with frame though out - £1195
- Four white voile ceiling swoops with fairy lights - £400
- Star Cloth back wall drape with frame - £250
- Pea light curtain back wall drape with frame - £350
